# EWTC Association

- Constituted in June 2010, starting with 26 partners from 11 countries
- Steady flow of new partners
- Planned Association meeting in China in 2011

Lead partner:

# Green Corridor Manual

- The aim of this task is to produce a green corridor manual as a set of recommendations and guidelines on how to implement a green corridor according to the EU freight agenda and as promoted by the EU Baltic Sea Strategy

Lead partner:

# Information Broker System

- Sharing trusted information (data) between companies to enable new types of applications that provide business benefits and a greener transport corridor

Lead partner:

# EWTC Long term development

After project lifetime:

## East West Transport Corridor Association

- ✓ EWTC Action Plan
- ✓ Green Corridor Manual
- ✓ Information Broker System
